

Message from the Principal

A cherished memory reminds me how my father's words, "Don't worry, God will help us," filled our hearts with hope as we waited for rain—and it came. Hope has the power to uplift lives through a kind word, a listening ear, or a simple act of care. With this spirit, our theme for the academic year 2025–26 is "Sowing the Seeds of Hope," encouraging us to spread kindness, faith, and encouragement so that no one feels alone and everyone believes that brighter days will come.

PRINCIPAL
MR.KISHOR KAFLE

Our Motto

Live for God and Lead for Nepal"

Encourage a spiritual connection with God and live a life pleasing to the Almighty.

Emphasize responsibility and exemplary citizenship for the nation's welfare and growth.

Our Mission

To cultivate compassionate, innovative leaders who excel in service, uphold justice, and transform the world.
